

ngVikings Copenhagen 27-28 May 2019

Best reviewed conference!

What is ngVikings?

Over the past couple of years, we have gathered developers throughout the Nordic countries. We have done this by embracing diversity and establishing a community with one common passion, which is empowering developers' community.

ngVikings are a series of **community-driven** and **non-profit** events across the Nordic countries. Our talks and workshops will be mainly focused on Angular and other technologies related to the Angular framework. Our goal is to strengthen the Angular community in the Nordics by bringing it together while inspiring and learning from each other. Nothing fuels collaboration like meeting in real life.

This year's ngVikings event is scheduled for **May 26-28, 2019** in Copenhagen, Denmark. This event will gather **400+ developers** primarily frontend and full-stack developers and experts from all around the world in Copenhagen.

ngVikings is a 100% community-driven event comprised of many Nordic Angular groups with a core community of up to 5.000 members, concluded from:

- ngCopenhagen
- GDG Copenhagen
- Women Techmaker Copenhagen
- Angular Oslo
- Angular Gothenburg
- ngAarhus
- Angular Finland
- ngStockholm
- GalsTech

Venue & Date

This year's event is scheduled for **May 26-28, 2019** at [DGI Byen, Copenhagen, Denmark](#) DGI Byen is located in the center of Copenhagen, only 50 meters from the Central Station.

Why ngVikings is worth sponsoring?

At ngVikings you will meet experienced front-end developers and people who are fascinated by modern web technologies, who are constantly pursuing new thoughts and ideas. There are many case studies proving that people who attend conferences often get motivated to try out new frameworks and new ideas.

ngVikings gives you visibility within the community and put a face on your brand. Our attendees have the potential to become your dream customers or even your future colleagues.

What do you get?

- Direct access to **400+** developers and experts (primarily frontend and full-stack developers)
- Great chance to find and hire new colleagues
- Venue to advertise your business among attendees
- Opportunity to touch base with the community about your products or new ideas
- Information about coming trends in web applications
- Inspire and educate your employees
- Supporting the local community

How to become a sponsor?

For this year, we have our standard sponsorship packages, as well as our custom packages. Whether you are interested in our standard packages or building your own custom package, don't hesitate to contact us:

contact@ngvikings.org

Other ideas?

Perhaps you want to sponsor freshly brewed coffee, Coffee trucks, ice cream or a tasty breakfast? Or maybe you would like to sponsor the after-party? Or you would like to have your own VR room or Ice cave! These are only a few examples of things. If you would like a custom package, we would love to work with you on it and make it happen!

Please contact us at contact@ngvikings.org to discuss further.

ngVikings is not about the money

Most ngVikings use up all their sponsor and ticket money in planning of the event, but when there is a surplus, it is used to benefit the community and it will not be treated as profit to be pocketed by the organizers.

Surplus money is used for things like:

- Funding an ongoing Angular meetup group's get-togethers
- Seed money for the next ngVikings event
- Donations
- Increase diversity in our event(s)
